ABOUT UNORDINARY SPACES

UnOrdinary Spaces delivers team-building, professional development, and employee engagement programs that help federal teams build trust, boost retention, and elevate performance in high-stakes environments.

We partner with workforce development leaders and program managers to deliver in-person, hybrid, and virtual events that build stronger teams, sharper leaders, and mission-ready workforces.

With 200+ events across 10+ countries, our CMP- and CGMP-certified team brings deep expertise in event management, logistics, and OCONUS support.

EXPERIENCE

CONUS and OCONUS

-  **BLOCKCHAIN** Delivered hybrid leadership events for global teams, enhancing cross-location engagement and mission alignment
-  **OCTANE AI** Produced a 200+ person team-building program that improved communication, morale, and trust
-  **zapier** Planned offsite retreats with full logistics support to strengthen collaboration and decision-making
-  **GREENPEACE** Executed eco-conscious events with measurable sustainability outcomes using reusable kits and waste-reduction strategies

CORE COMPETENCIES

- **Mission-Aligned Team-Building** and professional development
- **Employee engagement** and morale programs for distributed teams
- Strategic retreats supporting **leadership** and **readiness goals**
- Full-scope **event planning, logistics, and CONUS/OCONUS delivery**
- **Sustainable**, fixed-price event solutions with reusable kits

DIFFERENTIATORS
